INTRODUCTORY COMMENTS

This paper accompanies documents submitted to initiate national stage processing of the above-identified international patent application. Before examination on the merits, the application is amended as follows.

AMENDMENTS

AMENDMENT TO THE ABSTRACT

The abstract is amended as shown on the following pages under the heading "AMENDMENT TO ABSTRACT".

AMENDMENTS TO THE CLAIMS

The amendments to the claims appear in the following pages under the heading "LIST OF CURRENT CLAIMS". The claim listing replaces all previous versions of the claims presented in this application, and indicates any currently presented amendments and the status of each of the listed claims.

The amendments to the claims of this application, which originated in a foreign country, are submitted before examination on the merits and are not intended to have a narrowing effect for the purpose of patentability, but rather are made for one or more of
